YMCA Camp Kresge Facility Rental

YMCA Camp Kresge offers a variety of facilities to meet your group's needs during your stay at camp. Our standard cabins make up two villages, with a centrally located modern bathhouse nearby. Camp Kresge offers an upgraded cabin experience with two different lodges that have a variety of modern amenities. Linens and bedding are not provided by camp, so please pack accordingly. There are also various meeting spaces available: The Historic Lodge, The Dining Hall and the Pavilion offer great views of the natural surrounding as well as a great space for your retreat, picnic, or training.

Standard Cabins

Set among Beech, Oak, and Maple trees in the heart of main camp, the two standard cabin villages offer a sense of community.

Upper Village

Upper Village has 7 traditional camp cabins, sleeping 8 each. They have electricity, small front porches, and their own fire pits. The modern bathhouse with showers, toilets, and sinks is a quick walk from this village.

Lower Village

Lower Village has 3 traditional camp cabins, sleeping 16 each. Each cabin can be divided into two separate spaces, for a total of 6 cabins sleeping 8 each. They have electricity, heating, and fire pits nearby.

The modern bathhouse with showers, toilets, and sinks is a quick walk from this village.
