

# Packing List

FOR YOUTH DEVELOPMENT®  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

Dear Camp Family,

We hope your camper is ready for a hauntingly good time at our **Halloween Camp Weekend!** Below is a packing list of essential items your camper will need to have a comfortable stay at Camp Kresge. Please check the weather forecast and ensure that your camper is dressed appropriately for the weather. Many campers enjoy spending the entire day outside, so we recommend packing layers to keep your camper warm and dry.

We suggest that you use this packing list to check off items as they are packed, and to check again when your camper returns home. Write your camper's name on everything they bring to camp. Lost and found will be donated after 2 weeks. Please contact the office if something comes to camp and doesn't make it home.

Campers may choose to wear their costume all day if it does not interfere with their ability to participate.

Costumes may not be excessively gory or disconcerting towards others. Weapons and realistic prop weapons are prohibited.
