## YMCA Camp Kresge Overnight Camp Health Officer Job Opportunity

### **Qualifications:**

YMCA Camp Kresge is seeking qualified individuals to provide basic medical care, administer medication and provide TLC to campers and staff during our overnight camp season. Must be currently licensed as an RN, LPN, EMT, or WFR in Pennsylvania, preferably with experience in pediatrics or emergency medicine.

Responsible for the operation of the camp health center 24 hours a day. Duties include arrival day health checks, medication check-in, record keeping, safekeeping and disbursement of all medications, and maintaining all medical supplies. Responsibilities also include evaluation of illness and accidents for further treatment (in cooperation with camp director) and communication with campers, staff, and parents.

### **Location:**

YMCA Camp Kresge is located in White Haven, PA about 15 minutes from Mountain Top and 30 minutes from Wilkes-Barre. We are nestled on 1,100 acres of wooded property, on the shores of our very own Beaver Lake.

The Health Lodge is air conditioned, with kitchen, dining room, private bedroom, laundry facilities and Wi-Fi. Health Officers had access to participate in camp programming as desired/available.

### **Compensation:**

\$500-\$700 per week, based upon license and experience. Meals & housing provided during the Overnight Camp Season. Health Officer's children can attend camp free of charge. (Must be of age for camp programs.)

### **Summer Camp Season:**

Weekly overnight camp sessions run from  
June 16th to July 27th.  
Availability for multiple weeks encouraged.
