

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Dear Prospective Counselor in Training (CIT),

Thank you for your interest in becoming a CIT for the 2021 summer season! As a CIT, you will learn leadership skills including program planning, teamwork and mentoring younger campers. CITs have increased privileges and responsibilities at YMCA Camp Kresge and have a unique opportunity to make friends from around the world. All teens who are 15 or 16 years old are eligible to apply as a CIT, whether or not they have been to YMCA Camp Kresge before.

Due to the nature of our CIT program, we ask all campers to submit an application along with their registration form and deposit. Directors at camp will read through your application and will be in touch through email or phone regarding your acceptance into our program, or if we have any questions for you. Depending on the number of applications we receive, we may contact you for an additional phone interview or ask for references. (Parents: Deposits will not be processed until we are in touch about the status of your camper's application.)

Financial assistance is available for all YMCA Camp Kresge Programs. The YMCA Camp Kresge Financial Assistance Packet is available at the front desk of the Wilkes Barre YMCA, online at wvymca.org/camp-kresge/ or by calling the camp office. Assistance is available on a first come, first served basis, so please get your information in early!

Please let me know if you have any questions. Thank you,

Steph Bewley

Camp & Conference Director

Section 4: Questions and Answers

Please feel free to answer the questions below, or submit another piece of paper with your answers. Make sure your answers are able to be read!

Our CITs work with our campers and staff to make sure that each camper has a positive experience at camp. What experience do you have working with or caring for kids? (Can including babysitting, coaching, looking after younger siblings and more) _____

There are a lot of different things you could be doing this summer. Why pick this? Whose idea was it? Why do you want to be a CIT? _____

What would you like to learn or get out of being a CIT? Is there something you'd like to get better at doing?

Successful completion of CIT Programs does not guarantee that you will get hired as a staff person. How do you feel about that? What else can you do with the skills that you learn as a CIT? Will you consider it a "waste" if you are not hired in the future? _____

Being a CIT is different from being a camper. As a CIT, we will ask you to be a role model for other campers. While camp is always a place to have fun and make friends, you will have sessions that feel more like school. We will ask you to take notes on what you have learned; and observe other staff and programs. How can you find a balance between having fun and taking your position as a CIT seriously? _____

There will be parts of camp that feel like work. This might include assisting staff with cleaning camp, responsibilities of helping care for younger campers, and making sure your leadership trip runs smoothly. Please write down experiences you have working or volunteering with someone who gave you responsibilities to be completed. How did it feel? What did you learn? _____

As a role models, we expect our CITs to stay alcohol, drug and tobacco free. We ask all campers to leave their cell phones at home, or turn them into the camp office when they arrive at camp. Can you commit to these expectations? _____

2021 CIT Session Dates: June 20-July 10 (three-week program)
